Contacto

The journal of Portugese speakers in the country

Since 1970, the weekly Contacto has been the reference media and the first source of information for the **Portuguese population** in Luxembourg. Thanks to its closeness to its readers, the newspaper covers news from Luxembourg and Portugal in Portuguese with an analytical and opinionated content. For more than **50 years**, it has been the reference brand for accompanying and **evolving** with the Portuguese population of the country.

The official magazine of the Luxembourg **Chamber of Commerce**, Merkur is sent to **37.000 member companies**. As an information medium, it reflects the activity and news of all the sectors that make up the country's economy. Expert content in French and English promotes entrepreneurship and economic relations, suitable environment for communicating with Luxembourg's decision-makers and key players. The bimonthly magazine is reinforced by the publication of 3 supplements and targeted guides benefiting from 1,500 additional copies (a total of 39,500 copies).
The magazine benefits from the credibility of the Chamber of Commerce, the voice of 90.000 companies in the Grand Duchy.

D'Handwierk

The magazine of the Federation of Craftsmen of Luxembourg and the Chamber of Crafts

D'HANDWIERK

D'Handwierk is aimed at the craft sector and is distributed to all craft companies established in Luxembourg. The sector represents 8.400 companies employing some 95.000 people and is the country's largest employer. The bilingual magazine (DE/FR) covers political and economic news, company news, service information and background articles on topics relating to the craft industry.

New in 2023, the editorial content will be enriched with 7 new recurring sections: Digitalisation, Training, Energy, Innovation, IT, Finance and Business Management.

TRUSTED PARTNERS

La Fédération des Artisans: the umbrella organisation of the craft industry (40 professional organisations from the sectors: construction, mechanics, food, fashion/health/hygiene and communication/services).

The Chamber of Trades: a reference institution, independent at the service of businesses and society, a driving force for sustainable development and innovation
